PROGRAMME

October 29th - 31st, 2015
Conference Centre, University of Delhi

Day I: Thursday 29th Oct 2015
9.15am -9.45am Inauguration & Keynote Address
Session I: 11.15-1.15pm Disease Biology: From Genes to Networks
Lunch 1.15-2.00pm
Poster Session 2.00-3.30pm
Session II: 3.30-5.30pm Partnership of Structural Biology and disease etiology
Day II: Friday 30th Oct 2015
Session III: 9.15-11.15am Challenges in Comprehending Infectious diseases
Session IV: 11.45-1.45 pm Bridging Disease Physiology and Molecular Biology
Lunch 1.45-2.30 pm
Poster session 2.30-3.30pm
Session V: 3.30-5.30pm Translational Research: Directions and Challenges
Day III: 31st Oct 2015 Saturday
Session VI: 9.15-11.15am Mining for lead molecules: Novel approaches to drug discovery
Session VII: 11.45-1.45pm Genes at work: The new challenges
Lunch 1.45-2.45 pm
3.00-4.30pm Valedictory Address & Poster Prize Distribution

REGISTRATION AND SUBMISSION OF ABSTRACT

Registration can be made by sending the completed Registration Form along with the Registration fee as applicable. The participants intending to present a paper should submit the abstract not exceeding 200 words including the title along with author's name, affiliation, email and Institutional address by e-mail acbr.fbr2015@gmail.com - (Attention Dr. Adila Parveen) or duly typed on A4 size paper in Times New Roman, Font size 12, Line Spacing 1.5. Registration form, registration fee and abstract should be sent to 'The Organizing Secretary, Dr. B. R. Ambedkar Centre for Biomedical Research, University of Delhi, Delhi 110007'. Please inscribe '10th Annual Symposium - FBR-2015' on the envelope.

The last date for receiving the abstract is **Monday August 31st 2015**.

NO ABSTRACT WILL BE ACCEPTED AFTER AUGUST 31st 2015.

Registration Fee	Upto Sept 07 th 2015(INR)	After Sept 07 th 2015(INR)*
Delegates	2000	2500
Students B.Sc./M.Sc.	500	750
Ph.D/PostDoc	1500	2000
Accompanying	1000	1500

*Same rates applicable for Spot Registration

Registration fee should be paid through a demand draft/cheque in favor of 'Director, Dr. B. R. Ambedkar Centre for Biomedical Research, University of Delhi, Delhi-110007'. Registration includes registration kit, lunch and Tea/Coffee during the sessions.

ACCOMMODATION

A limited number of accommodation will be available on first-cum-first basis only, the charges will be as per the rates of guest house/hostel. Please mention the requirement at the time of Registration. No request for accommodation can be entertained after 07th September 2015.

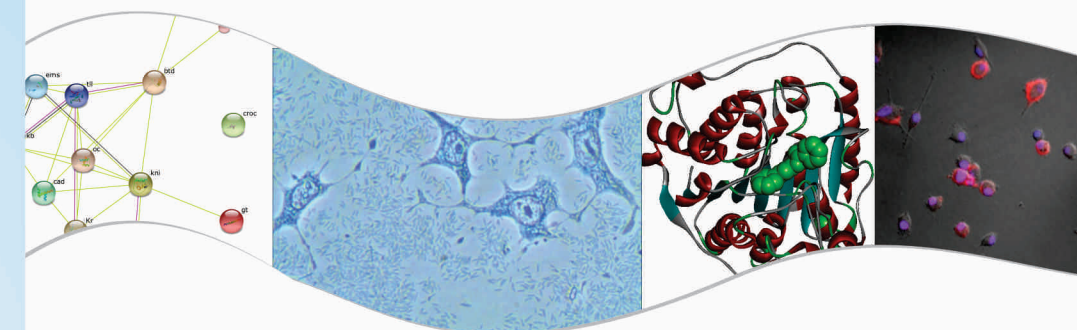

CLIMATE

Delhi has a pleasant weather in October- with a maximum of 28°C and minimum 20°C. Light woollens may be required in the evenings

PREAMBLE

Dr. B. R. Ambedkar Center for Biomedical Research (ACBR), University of Delhi, is a teaching and research Center located in North Campus of University of Delhi. Through ACBR, University of Delhi offers M.Sc. and Ph.D. degree in Biomedical Sciences, the focus of the Centre is interdisciplinary research and teaching.

A unique feature of ACBR is the amalgamation of Biology with Chemistry that offers a holistic approach to address challenging areas in the field of biomedical sciences. In keeping with its tradition of offering opportunities to students to interact with leading scientists in India and to showcase their work each year ACBR organizes a symposium named 'Frontiers in Biomedical Research (FBR)'. The format of the symposium includes Invited talks and Posters. A number of eminent scientists present their work and interact with students (both undergraduates/postgraduates and those pursuing Ph.D.) offering them valuable suggestions and inputs to better their understanding in their chosen area of research.

This year FBR-2015 is scheduled **from Thursday 29th October to 31st October 2015 with the theme 'Comprehending Genes @Work: From Structural Biology to Drug discovery'**. The venue of the conference is the **University Conference Centre** located opposite Botany Department in North Campus.

FBR-2015 will focus on the paradigm shift in understanding diseases through Gene Networks and Physiology in conjunction with Molecular and Structural Biology. A limited number of Poster abstracts will be chosen for Oral presentation. In addition almost all the Ph.D. students of ACBR will be presenting their work as posters. We look forward to welcoming students, teachers and post-doctoral researchers at FBR-2015.

IMPORTANT DATES:

Abstract Submission: 31st August 2015
